**bizhub® C650i/C550i/C450i**  
SECTION 508 COMPLIANCE

KONICA MINOLTA

TECHNOLOGY

Section 508 requires that federal departments and agencies provide Electronic and Information Technology (EIT) that's accessible to people with disabilities. The purpose of this Voluntary Product Accessibility Template (VPAT™) is to assist federal officials in assessing the availability of commercial EIT products.

---

Konica Minolta is pleased to comply with Section 508, offering universal design for accessible document imaging and management in the workplace. This Section 508 ideal is designed into all Konica Minolta office machines. Our multifunction products for offices contain numerous functions and features that provide easy operation for individuals with special needs. Enhanced operational functionality includes: front-loading paper trays, adjustable display contrasts, enlarged displays, tilt-enabled control panels, extra-large buttons, convenient heights and reach and easily accessible printer interiors for adding toner and replacing imaging cartridges. For more information, please visit: [www.CountOnKonicaMinolta.com/section508](http://www.CountOnKonicaMinolta.com/section508).

**Thank you for choosing Konica Minolta.**

Design and Specifications are subject to change without notice. Not all accessibility features are available on all models. Please consult the actual VPAT data for more specific information.
