## EMBRACE THE FUTURE WITH THE CLOUD ENABLED BIZHUB I-SERIES

### Meeting the Needs of an Evolving Workplace

As businesses and organizations increasingly rely on cloud technology, Copier Fax Business Technologies is proud to provide the Cloud Enabled bizhub i-Series to meet their ever evolving needs. Experience the solution that embraces the changing workplace dynamics.

Our next-generation multifunctional printers (MFPs) redefine their role in the business environment. They bring people, places and devices together with seamless connectivity and enable dynamic and efficient workflow. By improving communication, boosting productivity, and streamlining processes, our MFPs empower smarter business operations.

The Cloud Enabled bizhub i-SERIES is a range of A3 Color and Monochrome MFPs that offer simplicity, security, and intelligence. These devices are designed for the user, prioritizing intuitive operation and eliminating waiting time. With integrated cloud services that offer the right processes at the right time, the bizhub i-Series provides a reliable and safe environment for your business.
