UNLEASH YOUR PRINT POTENTIAL

INDUSTRIAL AND PRODUCTION PRINT TECHNOLOGY

Konica Minolta's industrial and production print technology helps you break into new markets, create standout pieces, and streamline your workflow with high-impact results. Every solution is designed to boost **efficiency**, **productivity**, and **versatility**. - helping you maximize profit and stay competitive in a fast-changing landscape. **Whatever your objectives, we'll work together to help you see the potential in the future of print.**

INDUSTRIAL PRINT

Our industrial printing solutions combine speed, quality, and versatility to meet the demands of modern business.

UV inkjet technology lets you print on a wide range of materials with faster throughput and outstanding print quality. Digital label printing offers fast, flexible production enabling short runs and variable designs. Embellishment solutions add standout, premium finishes like metallics and textures that elevate your products and help you - and your clients - stand apart.

PRODUCTION PRINT

Our production print solutions are built for ease, speed, and precision.

With intuitive digital presses and integrated software, you can streamline your workflow from start to finish. Advanced automation and superior color consistency make high-quality output simple to achieve, reducing manual tasks and allowing your team to focus on delivering higher value. We offer scalable solutions tailored to your specific needs—whether you're growing your business, expanding capabilities, or optimizing day-to-day operations.

PRINT SUSTAINABLY

Make a positive impact on your business and the planet.

Konica Minolta is committed to reducing environmental impact across the entire product lifecycle. Our eco-conscious designs feature energy-saving technologies, reduced emissions, and efficient resource use. Through our Clean Planet program, we help divert consumables away from landfills and incinerators, and contribute to a more sustainable future - without compromising performance.

WHITE GLOVE SERVICE

Included with each device, our White Glove Service program benefits you throughout your machine's lifecycle, from worry-free implementation and service to ongoing optimization.

STEP INTO THE FUTURE OF PRINT WITH US

Our mission goes beyond providing superior printing solutions. We believe in partnering with our customers to understand their challenges and provide customized solutions that drive growth. Our team of experts offers comprehensive support, from initial consultation and installation to ongoing maintenance and training.

ARE YOU READY TO TAKE YOUR PRINT BUSINESS TO NEW DIMENSIONS?

Discover our expansive portfolio of Industrial and Production Print solutions!

LABEL PRINTING

Embrace the advantages of shorter run lengths, fast turnaround times, reduced waste, and agile production, enabling you to rapidly adapt to market trends with quick design and content changes

- AccurioLabel 230
- AccurioLabel 400

DIGITAL EMBELLISHMENT

Elevate your print products with stunning texture, shine, and dimension that stands out and drives high margin sales.

- AccurioShine 101
- AccurioShine 3600 + iFoil One
- JETvarnish 3D 52L
- JETvarnish 3D Evo 75
- JETvarnish 3D Web 400
- AlphaJET

PACKAGING TECHNOLOGY

Transform corrugated printing with short-run digital solutions built for manufacturers, converters, printers, and brand owners

- PKG 800
- PKG 1300

HIGH SPEED UV INKJET

Leverage the advantages of digital printing, combined with the quality and speed of offset, to rapidly print sophisticated products.

- AccurioJet 30000

DIGITAL PRESSES

Conquer shifting market demands efficiently, reliably, and with confidence using our Production line of high quality digital presses.

Digital Black & White Presses :
- AccurioPress 7136 / 7136P / 7120
- AccurioPrint 2100
- AccurioPress 6272P
- AccurioPress 6272P MICR
- AccurioPress 7136P MICR
- AccurioPress 7120 MICR

Digital Color Presses:
- AccurioPress C14010S / C12010S / C14010 / C12010
- AccurioPress C4070 / C4080
- AccurioPress C7100e / C7090e
- AccurioPress C7100 / C7090
- AccurioPrint C4065

WIDE FORMAT PRESSES

Print on a wider range of media — simultaneously saving energy, time and costs

- AccurioWide 160
- AccurioWide 200
- AccurioWide 250
- HP PageWide XL Series

AUTOMATIC COLOR AND IMAGE CONTROL

Improve quality and accuracy, while increasing productivity and reducing waste

- IQ-601 Intelligent Quality Optimizer
- IQ-501 Intelligent Quality Optimizer
- IQ-520 Intelligent Quality Optimizer
- AI-101 Auto Inspection Unit
- UK-301 Auto Inspection Unit

UNIQUE LEVEL OF AUTOMATION

Advance the possibilities of in-line production with Konica Minolta's unique automation technology

- TU-510e Trimmer Unit
- CL-401 GBC in-line Laminator

WORKFLOW SOLUTIONS

The software you need to increase productivity and profitability

- AccurioPro Flux
- AccurioPro ColorManager
- AccurioPro Dashboard
- AccurioPro Variable Data Printing
- Integrated Third Party
